I have read the terms and conditions of the fee schedule attached hereto, and I agree to pay the basic tuition fee and other fees as invoiced. I realize that the other fees are above the basic tuition fee cap set by the Ministry of Education and that I would not have an obligation to pay the same. However, I also realize that the extra fees are required to be able to run the educational programme at ISH.

Students, their parents/guardians and any other signatory of this agreement are bound by the rules and regulations of the school in effect and outlined in the latest edition of the student handbooks for the upper and lower schools. Rules, regulations and policies may be amended at any time.

The undersigned agrees to the above and accepts full responsibility for all payments regardless of the portion, if any, paid by any other party.
